International Conference on Pharmacy, Chemistry and Laboratory Innovation

Ahmedabad, India | 21st June 2026

International Research & Conference Forum (IRCF)

About the Conference

The International Conference on Pharmacy, Chemistry and Laboratory Innovation (ICPCLI-26) hosted by the International Research & Conference Forum (IRCF) is a prestigious academic event designed to unite scholars, educators, industry professionals, and researchers from across India. This conference serves as a platform to present groundbreaking research, explore technological advancements, and exchange innovative ideas. By fostering an environment of collaboration, it aims to facilitate meaningful dialogue, inspire new perspectives, and drive academic excellence within the Indian context.

Why Should You Attend?

Presentation Opportunities

Present your research or ideas to a diverse audience, gaining valuable exposure and feedback from experts in your field.

Learning Opportunities

Attend keynote sessions, workshops, and presentations to stay updated on the latest research, trends, and best practices.

Career Development

Network with professionals, educators, and researchers to explore potential career opportunities and expand your professional connections.

Exposure to New Ideas

Engage with innovative ideas and approaches from top researchers and practitioners that can broaden your understanding of the field.

Publication Opportunities

Learn about various publication opportunities to showcase your work in reputable academic journals, increasing your academic visibility and influence.

Highlights of the Event

- * **Keynote Addresses by Renowned Experts:** Hear from internationally recognized leaders and visionaries in Education, Health and Medicine.
- * **Interactive Workshops & Tutorials** Participate in hands-on sessions covering advanced tools, techniques, and emerging trends.
- * **Networking & Collaboration:** Connect with like-minded professionals and academics to explore new partnerships and opportunities.
- * **Publication Opportunities:** Presenters have the chance to publish their work in prestigious Scopus-indexed and Google Scholar journals.
- * **Awards for Best Paper and Best Presentation:** Compete for recognition in these prestigious categories and gain valuable academic recognition.
